

# Remote Learning with Kami

## How to get started from Google Classroom™

A step-by-step guide for students learning at home

### Step 1

- Install the Kami Chrome Extension in your Google Chrome Browser ([kami.app/extension](https://chrome.google.com/webstore/detail/kami-app/ekdmhpkhpdgghmfbmchbfhgmfmgfngjng))
- Click the **Add to Chrome** button, then **Add Extension**

### Step 2

- Open the Kami app by going to <https://web.kamiapp.com>

### Step 3

- Sign in using your school's Google account using the **with Google** button. If you don't have a Google account, type your school email address and enter in your password, then click the **with Email** button

### Step 4

- Select **K12 School**, then **Student** as your role, then **Finish**. Now, Kami is set up on your device

### Step 5

- Go to [Google Classroom](https://classroom.google.com), open your class, and go to **Classwork**
- Open your **Assignment**, and choose the file you wish to work on. You should now see a preview of the file – click **Open with Kami** to start completing your work in Kami

### Step 6

- Once you're finished with your work, click the **Turn In** button. This will submit your work to your teacher

**Yay! You've now completed and submitted your assignment.**
