This event is to raise awareness for Brad 'Stackhouse' Miller's ongoing fight with ALS and to raise money for him and his family. Mr. Miller is most well known in the Karns City/East Brady area as a beloved football coach, teacher, and basketball statistician. He was diagnosed with ALS in 2018 and has been fighting this disease with optimism ever since as he continues to teach and be a vital part of the football coaching staff at Karns City. Lilly Rottman & Matt Griffiths, current Karns City seniors and former students of Mr. Miller, have organized this event as part of their NHS Service Project. If you have any questions contact Matt at 724-996-5353 or Lilly at 724-472-2157. Thank you for your support!
