

Working Together for Successful Transition to Adult Life: Solutions for Graduates and Graduating Students with IEPs and 504 plans after COVID-19 closures

Wednesday, June 2nd, 2021 2:00-4:00 PM

Presented by:

Carole Clancy, Director, Bureau of Special Education

Shannon Austin, Executive Director, Office of Vocational Rehabilitation

Kristin Ahrens, Deputy Secretary, Office of Developmental Programs

PEAL is hosting a webinar for **families and young adults** featuring the leaders from the Pennsylvania Departments of Education, Labor and Industry, and Human Services. They will highlight **current and future opportunities** for transition age youth, especially those who are graduating or who recently graduated and **may have missed in-person support and instruction, employment opportunities, and community engagement** due to the COVID-19 pandemic.

Register at: <http://bit.ly/June2webinar>

We are gathering your questions for the presenters when you register, so that they can be answered during the webinar.

If you need any assistance or have questions, email info@pealcenter.org.

Training will be delivered in English, with Spanish and ASL interpretation.
If you need any additional accommodations to attend,
please contact kbrinkley@pealcenter.org.
